

2020
L L.M.
2nd SEMESTER EXAMINATION
Legal Education & Research Methodology
Paper - LL.M.- 202

Full Marks : 100

Time : 4 Hours

Candidates are required to give their answers in their own words as far as practicable.

Illustrate the answers wherever necessary.

All questions carry equal marks.

Answer any *two* questions.

1. What do you understand by “Clinical Legal Education”? Do you think it as a good method of teaching in Legal Education? Explain.
2. Critically discuss about the pedagogy of law teaching with reference to problem method and seminar method.
3. Critically evaluate the different types of teaching methods which are adopted in law schools or universities in India. Which method according to you is best? Justify your answer.
4. “Teaching is not an act as it is dynamic in nature so as it is termed as process.” - In the light of above statement evaluate various methods of teaching.

(Turn Over)
